Dr. T.L. Sullivan Jr. High School  
\$500.00  
Joanne Walker  
Teacher

The 1<sup>st</sup> Annual "How Credit Works For You And Against You" Awards Gala recognizing students and schools within the Cape Breton Victoria Regional School Board, was hosted Friday May 13<sup>th</sup>, 2011, at the Delta Hotel in Sydney, Nova Scotia. Over 120 people attended the event hosted by the program custodian Cape Breton County Economic Development Authority.

The awards were presented to student winners whom submitted an essay regarding how the classroom presentation on credit, financial planning, identity theft and budgeting helped prepare them to enter the world of credit.

From the submissions a total of 15 students and 2 schools were honored. A total of \$9200 in financial awards, were issued by partners of the program.

"How Credit Works For You And Against You" has again proven to be a major success. Plans are underway for stepping into 2012 to expand the program reach and depth to more schools and newcomers to our region.
